PRODUCT **O**VERVIEW

This sophisticated combination paper towel and waste receptacle cabinet is designed to be completely recessed into the plane of the washroom wall, highlighting the seamless design that defines Piatto[™]. The phenolic door is attached to the cabinet using field-adjustable, furniture quality hinges and is secured shut by an internal spring-loaded latch. All hardware is concealed giving the Piatto[™] Collection its minimalist appeal. Dispenses 600 C-fold, 800 multi-fold, or 1,100 standard single-fold towels (with provided adapter). 9 gal. (34 L) stainless steel waste receptacle. Rolled edged finger hole allows for easy servicing and removal. Paper towels are manually withdrawn through dispensing slot. An adjustable towel adapter ensures that towels feed properly until depleted. Unit will continue to feed properly when reloaded with a partial load in place. Refill dispenser by unlatching door and replacing towels for an empty or partially empty unit. Door is White Formica 949.

OPERATION & **M**AINTENANCE

Towels are self-feeding until supply is depleted. An adjustable towel adapter ensures that towels feed properly until depleted. Unit may be reloaded with a partial load in-place and will continue to feed properly. Refill dispenser by unlocking door and replacing towels for an empty or partially empty unit. Dispenser supply is replenished and waste container is emptied manually on cycles determined by maintenance needs.
