HIGH-SPEED ADA HAND DRYERS

TURBO-PRO™ AUTOMATIC HAND DRYER

Introducing ASI's Elegant ADA-Compliant, High-Speed, Automatic Hand Dryer. A HEPA filter is used to purify the air before it dries hands. The replaceable filter is housed in a separate chamber, which allows it to be easily accessed for removal without the need to disconnect the dryer.

The dryer provides operating flexibility—the owner controls air temperature as well as air speed to suit their needs and a 5-year warranty provides peace of mind. Available in Matte Black, White, or Satin finish Stainless Steel in 110-120 V or 208-240 V.

WHAT MAKES TURBO-PRO™ UNIQUE?

16
GAUGE

STAINLESS STEEL CONSTRUCTION

Our hand dryers are constructed of stainless steel, which is tough, durable, stain-resistant and easy to clean.

ADA ACCESSIBILITY STANDARD COMPLIANT

Our hand dryers are engineered to comply with the standards set forth by the American Disabilities Act for accessibility and safety.

ADJUSTABLE AND FAST

The dryer provides operating flexibility—the owner controls air temperature as well as air speed to suit their needs.
