PRODUCT OVERVIEW

Theft and Vandal Resistant roller for CorelessTP Roll shall be of molded high-impact resistant plastic with integral screwed-in stainless steel end pins and shall accommodate all coreless TP rolls commercially available. Roller fits all dispensers that use the R-003 standard roller.

KEY FEATURES & SPECIFICATIONS

- Spindle fits all commercial Coreless Toilet Paper rolls
- Theft and Vandal Resistant
- Made of High Impact Resistant plastic
- End pins are stainless steel and screwed in to the spindle
- Accommodates all ASITP dispensers that use the R-003 Spindle

OPERATION & MAINTENANCE

Tissues are self-feeding until supply is depleted. Unit may be reloaded at any time in the usage cycle. Refill is performed manually on cycle determined by maintenance needs. Rollers may be cleaned by service staff by full immersion in normal washroom cleaning products followed by clean water rinse off or protocol determined by facility administration.

TECHNICAL INFORMATION / PRODUCT PROPERTIES

Property	Value
Dimensions	5-3/8" [137]
Construction	ABS Plastic
Mounting	Optional Part
Capacity	Accommodate all coreless TP rolls commercially available.

INSTALLATION

Load toilet paper roll onto roller spindle and engage end pins into tracks or notches depending upon model of cabinet in use. Roller will allow complete depletion of coreless TP roll while remaining engaged in notch or tracks for full dispensing cycle until removed for reload.
